

An abstract composition on a dark gray background. It features several diagonal lines: a white line in the upper left, a longer white line below it, a gray line in the lower left, and a bright pink line in the lower right. The word 'Substrate' is written in a bold, orange, sans-serif font, and the word 'River' is written below it in the same style.

Substrate

River

The background is dark gray with several diagonal lines in white, light gray, and magenta. The text is centered and has a slight orange glow.

Getting Started-004

Common Command

<https://substrate.dev/substrate-collectables-workshop/#/0/common-patterns-moving-forward>

版本

一个WebAssembly (Wasm)映像

一个标准的二进制可执行文件

Wasm文件用作标准二进制文件编译的一部分，因此在构建可执行文件之前，一定要先编译Wasm映像。

编译

`./scripts/build.sh` // Build Wasm

`cargo build --release` // Build binary

清除链上数据

```
./target/release/substratekitties purge-chain --dev
```

启动节点

```
./target/release/substratekitties --dev
```

The image features a dark gray background with several diagonal lines. A white line starts from the left edge and extends towards the top right. A second white line is parallel to the first, starting further to the right and also extending towards the top right. A gray line starts from the bottom left and extends towards the top right. A red line starts from the bottom left and extends towards the top right, positioned below the gray line. The text 'Substrate' is written in a bold, orange, sans-serif font, positioned between the two white lines.

Substrate

River
