

An abstract composition on a dark gray background. It features several diagonal lines: a white line in the upper left, a light gray line in the lower left, and a bright pink line in the lower right. The word 'Substrate' is written in a bold, orange, sans-serif font, positioned between the white and light gray lines. The word 'River' is written in the same font and color, positioned between the light gray and pink lines.

Substrate

River

The background is a dark gray color. It features several diagonal lines of varying lengths and colors. There are two white lines in the upper left quadrant, one gray line extending from the bottom left towards the center, and one bright pink line extending from the bottom center towards the top right. The text is centered in the upper half of the image.

The image features a dark gray background with several diagonal lines. A white line starts from the left edge and extends towards the top right. A second white line is parallel to the first, starting further to the right and also extending towards the top right. A gray line starts from the bottom left and extends towards the top right. A red line starts from the bottom left and extends towards the top right, positioned below the gray line. The text 'Substrate' is written in a bold, orange, sans-serif font, positioned between the two white lines.
