

An abstract composition on a dark gray background. It features several diagonal lines: a white line in the upper left, a longer white line below it, a gray line in the lower left, and a bright pink line in the lower right. The word 'Substrate' is written in a bold, orange, sans-serif font, positioned between the two white lines. The word 'River' is written in the same font and color, positioned between the gray and pink lines.

Substrate

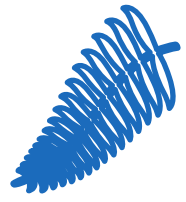

River

The background is dark gray with several diagonal lines crossing it. Two lines are light gray, and one is a vibrant magenta. They intersect at various points, creating a dynamic, geometric pattern.

Getting Started-003

Interacting With Your Node

<https://substrate.dev/substrate-collectables-workshop/#/0/interacting-with-your-node>

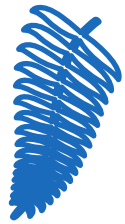

启动节点

```
./target/release/substratekitties --dev
```
