Viewing Multiple Kitties

https://substrate.dev/substrate-collectables-workshop/#/2/viewing-multiple-kitties

编译，运行

./scripts/build.sh

cargo build —release

./target/release/substratekitties purge-chain —dev

./target/release/substratekitties --dev

1- 使用多个账号创建Kitty，并查看结果

1- substratekitties > createKitty()

2- kittyStorage > allKittiesCount(): u64

3- OwnedKittiesCount > T::AccountId => u64;
